

Non-Wharton MBA Students

All Non-Wharton MBA student “Permission” requests need to be submitted through Path@Penn at <https://courses.upenn.edu/>. Permission requests will be reviewed after the MBA students complete their registration through Course Match prior to the start of classes each semester. Please be sure that the prerequisites are fulfilled, there are no time conflicts, and you are within your course max load of CU’s prior to submitting your request. See course descriptions above for prerequisites.
